Second Quarter 2019

Forward-Looking Statements and Non-GAAP Measures

Certain of the statements included in this presentation, including those under the headings “Key Priorities to Grow Earnings,” “High Quality Businesses with Attractive Growth Prospects,” and “Business Mix and Strategy Drive a Higher ROE and Growth Potential” constitute forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Words such as “expects,” “believes,” “anticipates,” “includes,” “plans,” “assumes,” “estimates,” “projects,” “intends,” “should,” “will,” “shall,” or variations of such words are generally part of forward-looking statements. Forward-looking statements are made based on management’s current expectations and beliefs concerning future developments and their potential effects upon Prudential Financial, Inc. and its subsidiaries. Prudential Financial, Inc.’s actual results may differ, possibly materially, from expectations or estimates reflected in such forward-looking statements. Certain important factors that could cause actual results to differ, possibly materially, from expectations or estimates reflected in such forward-looking statements can be found in the “Risk Factors” and “Forward-Looking Statements” sections included in Prudential Financial, Inc.’s Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q. Our growth and return prospects, financial targets, and “Key Priorities to Grow Earnings” are subject to the risk that we will be unable to execute our strategy because of economic, market, or competitive conditions or other factors. Prudential Financial, Inc. does not undertake to update any particular forward-looking statement included in this presentation.

This presentation includes references to adjusted operating income, adjusted book value, and adjusted operating return on equity, which is based on adjusted operating income and adjusted book value. Consolidated adjusted operating income and adjusted book value are not calculated based on accounting principles generally accepted in the United States of America (GAAP). For additional information about adjusted operating income, adjusted book value, and adjusted operating return on equity and the comparable GAAP measures, including reconciliations between the comparable measures, please refer to our quarterly results news releases, which are available on our website at www.investor.prudential.com. Reconciliations are also included as part of this presentation.

Prudential Financial, Inc. of the United States is not affiliated with Prudential plc which is headquartered in the United Kingdom.

(2) PGIM calculations as of June 30, 2019. Past performance is not a guarantee or reliable indicator of future results. All investments involve risk, including the possible loss of capital. Performance is defined as outperformance (gross of fees) relative to each individual strategy's respective benchmark(s).

(3) Represents PGIM's benchmarked AUM (85% of total third-party AUM is benchmarked over 3 years, 74% over 5 years, and 57% over 10 years respectively). This calculation does not include non-benchmarked assets (including general account assets and assets not managed by PGIM). Returns are calculated gross of investment management fees, which would reduce an investor's net return. Excess performance is based on all actively managed Fixed Income, Equity and Real Estate AUM for Jennison Associates, PGIM Fixed Income, Quantitative Management Associates, PGIM Real Estate, Prudential Capital Group, PGIM Global Partners and PGIM Real Estate Finance.
