Liquidation of the AST Ivy Asset Strategy Portfolio

At a meeting of the shareholders of the AST Ivy Asset Strategy Portfolio (the "Portfolio") held on June 6, 2016, shareholders approved the Plan of Substitution of the Portfolio. The Portfolio will be liquidated as of the close of business on June 24, 2016 (the "Liquidation Date"). On or prior to the Liquidation Date, a Contract Owner may transfer Account Value allocated to the Portfolio to another investment option permitted under a Contract, without such transfer counting towards the number of permitted transfers per year. Under the Plan of Substitution, any Account Value not transferred to another investment option as of the Liquidation Date will be automatically transferred to the AST Money Market Portfolio on the Liquidation Date. Any Account Value transferred from the Portfolio as a result of the Plan of Substitution, including applicable transfers into or out of the AST Money Market Portfolio, will not be counted as one of the free transfers allowed to Contract Owners, provided that the transfer occurs within 90 days of the Liquidation Date. As of the close of business on the Liquidation Date, all references to the AST Ivy Asset Strategy Portfolio are removed from the Prospectus and Statement of Additional Information.
