This Supplement should be read in conjunction with the current Prospectus for your Annuity and should be retained for future reference. This Supplement is intended to update certain information in the Prospectus for the variable annuity you own and is not intended to be a prospectus or offer for any other variable annuity that you do not own. Defined terms used herein and not otherwise defined herein shall have the meanings given to them in the Prospectuses and Statements of Additional Information.

We were notified on October 18, 2017 of a systems issue with a third-party service provider utilized by certain Trusts whose Portfolios are made available in our products. As a result of the systems issue, unit values and performance information of the impacted Portfolio Sub-accounts, beginning on October 18, 2017, are not representative of certain Portfolio activity. We will update the unit values and performance information, as necessary, as soon as the information is available.

THIS SUPPLEMENT SHOULD BE READ AND RETAINED FOR FUTURE REFERENCE.
