**Supplement dated December 31, 2019
to Prospectuses dated April 29, 2019**

This Supplement should be read in conjunction with the current Prospectus for your Annuity and should be retained for future reference. This Supplement is intended to update certain information in the Prospectus for the variable annuity you own and is not intended to be a prospectus or offer for any other variable annuity that you do not own. Defined terms used herein and not otherwise defined herein shall have the meanings given to them in the Prospectuses and Statements of Additional Information. If you would like another copy of the current Annuity Prospectus, please call us at 1-888-PRU-2888.

This Supplement describes a new portfolio of Advanced Series Trust (“AST”). In addition, effective on or about January 2, 2020, the AST Bond Portfolio 2019 will be closed and liquidated and, as a result, all references to the AST Bond Portfolio 2019 will be deleted from the Prospectus.

New AST Portfolio

AST Bond Portfolio 2031 (the “Portfolio”). Effective on or about January 2, 2020, a variable investment option that invests in this Portfolio will be added to your Annuity. Please note, however, that the investment option is not available for the allocation of Purchase Payments or for transfers – either incoming or outgoing. This Portfolio is available only with certain optional living benefits. The inside front cover of the Prospectus is hereby amended to include the name of this new Portfolio under “Investment Options”.

In conjunction with the changes described above, the table captioned “Underlying Mutual Fund Portfolio Annual Expenses” in the “Summary of Contract Fees and Charges” section of the Prospectus is revised to add the following information:

UNDERLYING MUTUAL FUND PORTFOLIO ANNUAL EXPENSES (as a percentage of the average net assets of the underlying Portfolios)									
FUNDS	Management Fees	Other Expenses	Distribution (12b-1) Fees	Dividend Expense on Short Sales	Broker Fees and Expenses on Short Sales	Acquired Portfolio Fees & Expenses	Total Annual Portfolio Operating Expenses	Fee Waiver or Expense Reimbursement	Net Annual Fund Operating Expenses

Estimate based in part on assumed average daily net assets of \$200 million for the Portfolio for the fiscal period ending December 31, 2020.
