AST Managed Alternatives Portfolio, AST Managed Equity Portfolio, AST Managed Fixed Income Portfolio Investment Options

The AST Managed Alternatives Portfolio, AST Managed Equity Portfolio and AST Managed Fixed Income Portfolio of the Advanced Series Trust (the "Portfolios") will be liquidated. The Sub-accounts investing in the Portfolios were closed to new investment on November 15, 2019.

The liquidation of the Portfolios is expected to occur on or about the close of business April 24, 2020 ("Liquidation Date"), subject to shareholder approval. On the Liquidation Date, any Account Value allocated to any liquidated Portfolio will be transferred, as of the close of business, to the AST Government Money Market Portfolio.

- You can transfer out of a liquidated Portfolio any time prior to the Liquidation Date. Such transfers will be free of charge and will not count as one of the annual free transfers under your Annuity contract.
- After the Liquidation Date, the liquidated Portfolios will no longer exist and, unless we are instructed otherwise, any outstanding instruction we have on file that designates any of the liquidating Portfolios will be deemed instruction for the AST Government Money Market Portfolio. This includes but is not limited to, systematic withdrawals, Dollar Cost Averaging, and Auto Rebalancing.
- For Prudential Premier Investment contracts, if you elected the Return of Premium Death Benefit before August 24, 2015, the AST Government Money Market Portfolio is considered an Investment Option available for use with that benefit only for purposes of receiving any Account Value transferred to that portfolio due to the liquidations described above. No additional Account Value can be transferred or allocated to the AST Government Money Market Portfolio and once any such Account Value is transferred from the AST Government Money Market Portfolio, it cannot be reallocated to the AST Government Money Market Portfolio.

You may wish to consult with your financial professional to determine if your existing allocation instructions should be changed before or after the Liquidation Date.

Your contract offers a variety of investment options. Please refer to your prospectus or consult with your financial professional for detailed information about available investment options. You may execute a transfer by calling our Annuities Service Center at (800) 457-7617. Representatives are available to assist you Monday through Friday between 7:30 a.m. and 5:00 p.m. CT.
