Supplement dated December 30, 2013
to Prospectuses dated April 29, 2013 and May 1, 2013

This supplement should be read and retained with the prospectus for your Annuity. This supplement is intended to update certain information in the Prospectus for the variable annuity you own, and is not intended to be a prospectus or offer for any other variable annuity listed here that you do not own. If you would like another copy of the current prospectus, please call us at 1-888-PRU-2888.

This supplement describes new portfolios, as well as changes to certain other portfolios, of the Advanced Series Trust ("AST"). Please note, not all portfolio changes described below may be applicable to your Annuity.

New AST Portfolios

AST Bond Portfolio 2025. Effective on or about January 2, 2014, a variable investment option that invests in this Portfolio will be added to your Annuity. Please note, however, that the investment option is not available for the allocation of Purchase Payments or for transfers – either incoming or outgoing. This Portfolio is available only with certain optional living benefits. The inside front cover of your prospectus of the following Annuity prospectuses is hereby amended to include the name of this new Portfolio:

- Prudential Premier® Retirement Variable Annuities B, C, L, and X Series (for contracts issued prior to February 25, 2013)
- Prudential Premier Advisor® Variable Annuity (for contracts issued prior to February 25, 2013)
- Prudential Premier B, L, and X Series
- Prudential Premier Bb Series

AST T. Rowe Price Growth Opportunities Portfolio. Effective on or about February 10, 2014, a variable investment option that invests in this Portfolio will be added as a Sub-account to your Annuity. If you do not currently own an optional living benefit, you are permitted to allocate Purchase Payments (if permitted under your Annuity) and make transfers both to and from this variable investment option. If you currently own an optional living benefit, this variable investment option is not available to you. The inside front cover of your prospectus of the following Annuity prospectuses is hereby amended to include the name of this new Portfolio:

- Prudential Premier® Retirement Variable Annuities B, C, and L Series (for contracts issued on or after February 25, 2013 through February 7, 2014)
- Prudential Premier® Retirement Variable Annuity
- Prudential Premier® Advisor® Variable Annuity

Other Portfolio Changes

All changes described below are effective on or about February 10, 2014.

AST FI Pyramis® Asset Allocation Portfolio. This Portfolio will restate its underlying mutual fund portfolio annual expenses to reflect the addition of a management fee waiver as shown in the chart below.

AST First Trust Balanced Target Portfolio. This Portfolio will be changing its name to the **AST FI Pyramis® Quantitative Portfolio**. Also, Pyramis Global Advisors, LLC, a Fidelity Investments Company, will replace First Trust Advisors L.P. as the subadvisor to the Portfolio.

AST Goldman Sachs Concentrated Growth Portfolio. Subject to shareholder approval on or about January 15, 2014, this Portfolio will be merged with the **AST Loomis Sayles Large-Cap Growth Portfolio**. All references to the AST Goldman Sachs Concentrated Growth Portfolio and corresponding variable investment option should be disregarded.

AST New Discovery Asset Allocation Portfolio. This Portfolio will be adding a new subadvisor, Parametric Portfolio Associates LLC to the Portfolio. Please see the table below titled "Investment Objectives/Policies."

In conjunction with the changes described above, we have revised the table in the Prospectus entitled "Underlying Mutual Fund Portfolio Annual Expenses" in "Summary of Contract Fees and Charges."

In the section titled, "Investment Options," we add the following summary descriptions for certain Portfolios described above to the Investment Objectives/Policies table as follows:

STYLE/ TYPE	INVESTMENT OBJECTIVES/POLICIES	PORTFOLIO ADVISOR/ SUBADVISOR(S)
Fixed Income	AST Bond Portfolio 2025: <i>seeks the highest total return for a specific period of time, consistent with the preservation of capital and liquidity needs.</i> Total return is comprised of current income and capital appreciation. Under normal market conditions, the Portfolio invests at least 80% of its investable assets in bonds. The Portfolio is designed to meet the parameters established to support certain living benefits for variable annuities that mature on December 31, 2025. Please note that you may not make purchase payments and contract owner initiated transfers to this Portfolio, and that this Portfolio is available only with certain living benefits.	Prudential Investment Management, Inc.
STYLE/ TYPE	INVESTMENT OBJECTIVES/POLICIES	PORTFOLIO ADVISOR/ SUBADVISOR(S)
Asset Allocation	AST FI Pyramid® Quantitative Portfolio (formerly AST First Trust Balanced Target Portfolio): <i>seeks long-term capital growth balanced by current income.</i> The portfolio invests, under normal circumstances, 65% of its net assets in equities (US and non-US) and 35% of its net assets in fixed income (investment grade and below investment grade). The Portfolio will invest in a mix of actively managed quantitative strategies as well as index exposures. The actively managed underlying components will seek to add value through bottom-up security selection. The subadvisor will also seek to add value through active allocation driven by the portfolio management team's evolving secular, cyclical and tactical views of the markets.	Pyramid Global Advisors, LLC a Fidelity Investments Company
Large-Cap Growth	AST Loomis Sayles Large-Cap Growth Portfolio: <i>seeks capital growth. Income realization is not an investment objective and any income realized on the Portfolio's investments, therefore, will be incidental to the Portfolio's objective.</i> The Portfolio will pursue its objective by investing primarily in common stocks of large companies that are selected for their growth potential. Large capitalization companies are companies with market capitalizations within the market capitalization range of the Russell 1000® Growth Index. The Portfolio Manager employs a growth style of equity management that seeks to emphasize companies with sustainable competitive advantages, secular long-term cash flow growth returns on invested capital above their cost of capital and the ability to manage for profitable growth that can create long-term value for shareholders. The portfolio manager aims to invest in companies when they trade at a significant discount to the estimate of intrinsic value.	Loomis, Sayles & Company, L.P.
Asset Allocation	AST New Discovery Asset Allocation Portfolio: <i>seeks total return.</i> Total return is comprised of capital appreciation and income. Under normal circumstances, approximately 70% of the Portfolio's assets are allocated to a combination of domestic and international equity strategies and approximately 30% of the Portfolio's assets are allocated to certain foreign and domestic fixed income investment strategies. A portion of the Portfolio may be invested in below investment grade bonds, commonly known as "junk bonds".	Bradford & Marzec LLC; Brown Advisory, LLC; C.S. McKee, LP; EARNEST Partners, LLC; Epoch Investment Partners, Inc.; Parametric Portfolio Associates LLC; Security Investors, LLC; Thompson, Siegel & Walmsley LLC
Asset Allocation	AST T. Rowe Price Growth Opportunities Portfolio: <i>seeks a high level of total return by investing primarily in a diversified portfolio of equity and fixed income securities.</i> The Portfolio invests, under normal circumstances, approximately 85% of its total assets in equity securities and 15% in fixed income securities. The Portfolio's	T. Rowe Price Associates, Inc./T. Rowe Price International, Ltd.

subadvisor will concentrate on common stock investments in larger, more established companies, but the subadvisor may also invest in small and medium-sized companies. Up to 40% of the equity portion may be invested in foreign (non-US dollar denominated) equity securities. The fixed income portion of the Portfolio will be allocated among investment grade securities; high yield or “junk” bonds; foreign (non-US dollar denominated) high quality debt securities and emerging market securities; and cash reserves.
