1. As noted above, shares of the Portfolios generally are purchased through variable insurance products. Some of the Portfolios and/or their investment advisers and/or distributors have entered into arrangements with us as the issuer of the contract under which they compensate us

for providing ongoing services in lieu of the Series Fund and/or Trust providing such services. Amounts paid by a Portfolio under those arrangements are included under "Other Expenses."
2. The total actual operating expenses for certain of the Portfolios listed above for the year ended December 31, 2005 were less than the amounts shown in the table above, due to fee waivers, reimbursement of expenses, and expense offset arrangements ("Arrangements"). These Arrangements are voluntary and may be terminated at any time. In addition, the Arrangements may be modified periodically. For more information regarding the Arrangements, please see the prospectus and statement of additional information for the Portfolios.
3. Effective December 5, 2005, GE Asset Management was removed as sub-adviser to a portion of the Portfolio. Salomon Brothers Asset Management, Inc. (an existing co-sub-adviser to the Portfolio) assumed responsibility for the assets previously managed by GE Asset Management.
4. Effective December 5, 2005, LSV Asset Management, Marsico Capital Management, LLC, T. Rowe Price Associates, Inc., and William Blair & Company, LLC became the sub-advisers of the Portfolio. Prior to December 5, 2005, Jennison Associates LLC served as sub-adviser to the Portfolio.
5. Effective December 5, 2005, the Portfolio was closed to new purchasers and to existing contract owners who had not previously invested in the Portfolio.
6. Each asset allocation portfolio invests in a combination of underlying portfolios of The Prudential Series Fund. The total expenses for each asset allocation portfolio are calculated as a blend of the fees of the underlying portfolios, plus a 0.05% advisory fee payable to the investment adviser, Prudential Investments LLC. The 0.05% advisory fee is included in the amount of each investment advisory fee set forth in the table above.
7. Effective December 5, 2005, Salomon Brothers Asset Management Inc. began managing a portion of the Portfolio's assets, then named "SP Goldman Sachs Small Cap Value Portfolio."
8. Effective December 5, 2005, T. Rowe Price Associates replaced Alliance Capital Management, L.P. as sub-adviser of the Portfolio, then named "SP AllianceBernstein Large-Cap Growth Portfolio."
9. Effective March 20, 2006, Dreman Value Management LLC began managing a portion of the Portfolio's assets.

10. Until November 18, 2004, the Trust had a Distribution Plan under Rule 12b-1 to permit an affiliate of the Trust's investment managers to receive brokerage commissions in connection with purchases and sales of securities held by the Portfolios, and to use these commissions to promote the sale of shares of the Portfolio. The Distribution Plan was terminated effective November 18, 2004.
11. Effective December 5, 2005, this Portfolio was added as a new asset allocation portfolio.
12. Effective March 20, 2006, Pacific Investment Management Company LLC began managing a portion of the Portfolio's assets, then named "AST Goldman Sachs High Yield Portfolio."
13. Effective December 5, 2005, Salomon Brothers Asset Management Inc. began managing a portion of the Portfolio's assets.
14. Effective December 5, 2005, J.P. Morgan Investment Management, Inc. began managing a portion of the Portfolio's assets, then named "AST Hotchkis and Wiley Large-Cap Value Portfolio."
15. Effective March 20, 2006, Dreman Value Management LLC began managing a portion of the Portfolio's assets.
16. Effective December 5, 2005, EARNEST Partners, LLC and Wedge Capital Management, LLP replaced GAMCO Investors, Inc. as sub-advisers to the Portfolio, then named "AST Gabelli All-Cap Value Portfolio."
17. Effective March 20, 2006, Integrity Asset Management was removed as a sub-adviser to a portion of the Portfolio's assets. Dreman Value Management LLC was added as a sub-adviser and assumed responsibility for the assets previously managed by Integrity Asset Management.
18. Effective January 1, 2006, the management fee was lowered to the base fee described above. Beginning January 1, 2007, the management fee may be adjusted, on a quarterly basis, upward or downward depending on the Fund's performance relative to its benchmark, the MSCI Emerging Market Free Index. As a result, beginning January 1, 2007, if the management fee were calculated taking into account all base fee breakpoints and performance fee adjustments, the management fee could range from 0.85% at its lowest to 1.15% at its highest.
19. Because the 12b-1 fee is charged as an ongoing fee, over time the fee will increase the cost of your investment and may cost you more than paying other types of sales charges

We make the following changes to the Appendix entitled "Selecting the Variable Annuity That's Right For You":

Assumptions:

1. $100,000 initial investment

2. As of December 31, 2005 the average fund expenses = 1.00%

3. No optional death benefit(s) and/or living benefit(s) were elected

4. These reductions result in hypothetical net rates of return as follows: Strategic Partners Advisor -2.36%, Strategic Partners Select -2.47%, Strategic Partners Annuity One/Plus Bonus -2.36%, Strategic Partners Annuity One/Plus Enhanced Non-Bonus -2.36%, Strategic Partners Annuity One/Plus Enhanced Bonus - -2.45%

5. The Illustration above illustrates 100% invested into the variable sub-accounts. Investments into the fixed rate accounts, as noted above, may receive a higher rate of interest in one product over another causing Contract Values to differ in relation to one another

6. Surrender Value assumes surrender 2 days prior to contract anniversary

Assumptions:

1. $100,000 initial investment

2. As of December 31, 2005 the average fund expenses = 1.00%

3. No optional death benefit(s) and/or living benefit(s) were elected

4. These reductions result in hypothetical net rates of return as follows: Strategic Partners Advisor: 3.50%, Strategic Partners Select: 3.38%, Strategic Partners Annuity One/Plus Bonus: 3.50%, Strategic Partners Annuity One/Plus Enhanced Non-Bonus: 3.50%, Strategic Partners Annuity One/Plus Enhanced Bonus: 3.40%

5. The Illustration above illustrates 100% invested into the variable sub-accounts. Investments into the fixed rate accounts, as noted above, may receive a higher rate of interest in one product over another causing Contract Values to differ in relation to one another

6. Surrender Value assumes surrender 2 days prior to contract anniversary

6. Surrender Value assumes surrender 2 days prior to contract anniversary

7. Strategic Partners FlexElite 2 figures do not include the optional 1% credit election. Had the credit been included, the Contract Values would be higher, due to the additional credit. However, election of the credit extends the surrender charge for an additional three years, thus lowering surrender value in those years.
