We were notified of a problem with our affiliated Trusts' accounting agent's system on Monday, August 24, 2015. Due to a system problem, the values of the units for certain Sub-accounts may reflect pricing and holdings as of a prior date and/or may not have been reported accurately. Once the accurate unit prices of the Sub-accounts are determined, we will correct all account values and transactions, as needed, to reflect the correct unit values.

THIS SUPPLEMENT SHOULD BE READ AND RETAINED FOR FUTURE REFERENCE.
